These are Exam Board regulations!

Finishing the exam:

Please do not leave the exam room until you are told to do so by the invigilator. You will not be allowed to leave the exam early. Make sure you spend any spare time checking your answers and proofreading.

Once instructed, leave the area in silence to avoid disturbing others.

Take out of the exam hall only what you took in. Do not take the question paper, answer booklets used or unused, rough work or any other materials provided for the exam. Please also leave your candidate card on your desk.

If you are not due to remain at College for another exam or revision session, you should leave College once your exam/revision session is over. Where exams finish whilst lessons are still ongoing, it is particularly important that you do not cause a disturbance to these lessons (e.g. no use of the hardcourt).

Absences:

In order for us to protect the integrity of all prelim exam papers, and to comply with Ofqual's guidance above, in the same way you would need to provide medical evidence (i.e. a doctor's letter) to the Exam Board for any absence, we would also require this evidence for any exams missed during Prelims. Please could parents call/email Mrs Sebire (01481 726544, ksebire@elizabethcollege.gg) as early as possible to let me know you will be absent.
