Component 1, Section B	92
Component 2, Section A	93
Component 2, Section B	95

1 This workbook will help you prepare for your WJEC Eduqas GCSE English Language exam.

2 Your exams are 1 hour 45 minutes long for the Component 1 paper, and 2 hours long for the Component 2 paper.

3 Build your skills and prepare for every question in the exam using:

- clear explanations of what each question requires
- short answer activities that build up to exam-style questions
- spaces for you to write or plan your answers.

4 Answering the questions will help you build your skills and meet the assessment objectives: A01 (finding information and evidence in texts), A02 (language analysis), A03 (comparing texts), A04 (evaluating texts critically), A05 (writing clearly, effectively and imaginatively) and A06 (using a range of vocabulary and sentence structures, with accurate spelling and punctuation).

5 Practice exam papers at the end of the workbook allow you to practise under timed conditions.

6 You still need to read your textbook and refer to your revision guides and lesson notes.

7 Answers to every question in the book are available at: www.hoddereducation.co.uk/workbookanswers.
